From the balconies of **Hotel Plaza Colón** in Granada, Nicaragua, you can enjoy a cup of coffee or glass of wine while you take a look into the past with a charming view of the Central Park and the Cathedral of Granada.

Granada is a colorful and lively colonial city that was established in 1524 and still has a rich Spanish heritage, seen in its old and elegant architecture.

In Granada you can also enjoy the Lake Nicaragua, one of the largest and most scenic lakes in the world.
