

Welcome to our home!

We invite you to get to know us better, you're welcome to stay with us.

Live our culture and daily lives and build new friendships. If you wish to know our housing options and fares please contact us. We include the three meals.

Mission

"To be an innovative and consolidated partnership, one that shares artisanal fishing as a **WORTHY** livelihood that contributes to biological and cultural conservation of coastal and marine resources as something good for our families".

Vision

"To share the experiences of responsible artisanal fishing in Tárcoles, showing to both national and foreign people that fishermen and fisherwomen work with honor and responsibility".

Responsible artisanal fishing guided tours

We also fish
stories and friends!

Photo by LUMA

Responsible artisanal fishing

Know how does an artisanal fisher work
Length: 5 hours aprox.

- Be inspired by the story of a united town, that transformed fishing into a benefit for the whole community and a environmentally responsible practice.
- Enjoy a delicious snack.
- Explore the fish processing facility.

Learn about the tools used in responsible fishing.

Meet the *lujadoras*, the happy people that prepare the line for the next fishing trip.

And then... to the ocean! to fish!

- You'll be hungry when you're back, enjoy a great lunch with us.

Responsible artisanal fishing and visit to Playa Limoncito

Know artisanal fishing and relax on the beach
Length: 6 hours aprox.

- Experience the same activities and the Responsible Artisanal Fishing tour.
- At the end of the fishing trips enjoy a delicious snack and relax exploring the trails.

Guided mollusk tour*

Live traditional mollusk recolection
Length: 4 horas aprox.

- Be inspired by the traditional knowledge of this community's women, who capture and use local mollusks. Know the different species and listen to the story of how this product helped people to better their life conditions in the past.
- Know the role that women play in this community.
- Enjoy a delicious snack.
- Explore the fish processing facility.
- Learn about the tools used in artisanal fishing.
- Walk by the ocean, while you collect mollusks.

* This visit depends on the moon phase.

Visit us and
fall in love with
our sea

Some recommendations

We are completely prepared to welcome you,
but we do have some recommendations:

What to bring?

- Bring water or hydrating drinks.
- Protect yourself from the sun with sunblock and hats.
- Use short pants and short sleeved t-shirts.
- Prefer shoes that can not come off easily.
- Don't forget mosquito repellent.

Photo by Pablo Cambronero

What do we include?

- Basic aid help.
- Life jacket.
- Snacks and lunch.
